

Bat Program

By Guest Presenter

**Dr. Tim Carter, Ball State Professor and
Chiropterologist (Bat Biologist)**

2pm October 17th

In the Mounds State Park Nature Center

Dr. Carter will have an interactive presentation all about bats. Attendees can look forward to learning about bat anatomy, the different species in Indiana, and how white-nose syndrome is affecting our bats. There will even be live bats! All ages are welcome. Park Entrance fee may apply.

Mounds State Park

4306 Mounds Rd. Anderson, IN 46017
